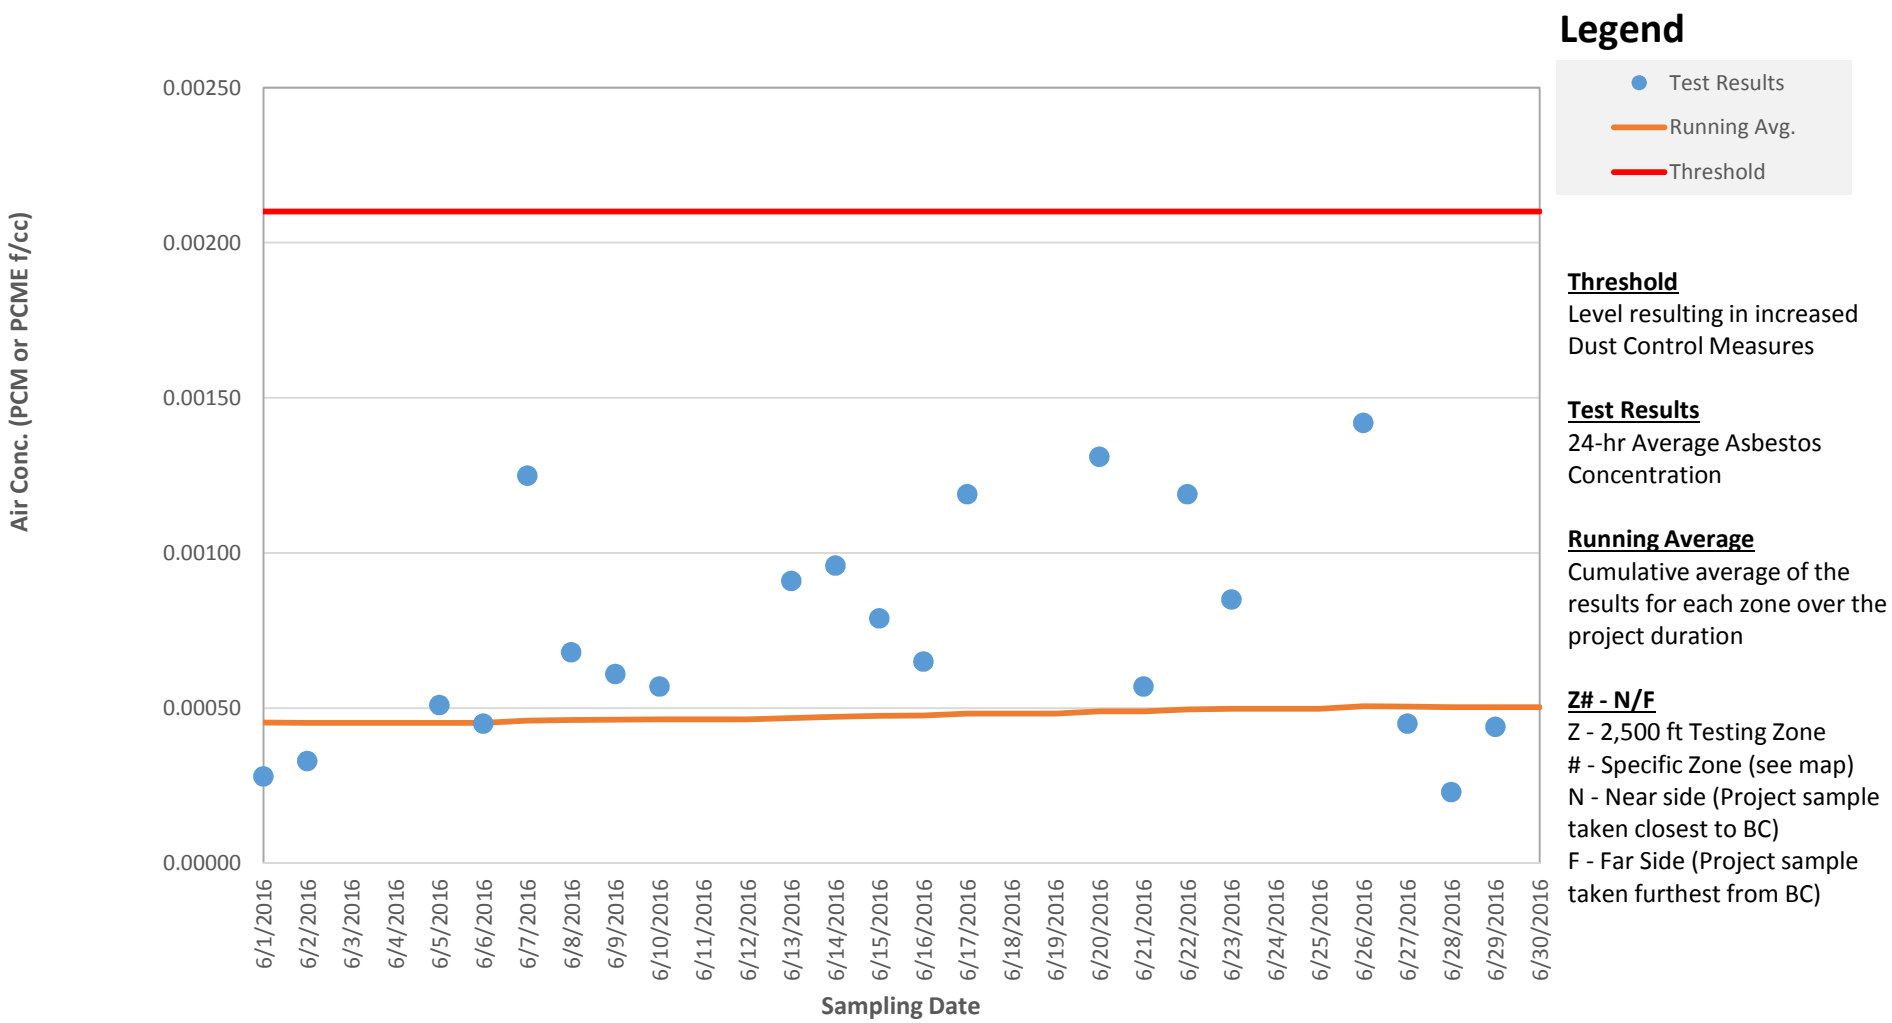
# I-11 Design-Build Project

## *Perimeter Air Results*

Station: ***Z14-N***

Month: ***June-16***



**Threshold**
Level resulting in increased Dust Control Measures

**Test Results**
24-hr Average Asbestos Concentration

**Running Average**
Cumulative average of the results for each zone over the project duration

**Z# - N/F**
Z - 2,500 ft Testing Zone
# - Specific Zone (see map)
N - Near side (Project sample taken closest to BC)
F - Far Side (Project sample taken furthest from BC)
