

# I-11 Design-Build Project

## Perimeter Air Results

Station: **Z27-F**

Month: **July-15**

### Legend

- Test Results
- Running Avg.
- Threshold

**Threshold**  
Level resulting in increased Dust Control Measures

**Test Results**  
24-hr Average Asbestos Concentration

**Running Average**  
Cumulative average of the results for each zone over the project duration

**Z# - N/F**  
Z - 2,500 ft Testing Zone  
# - Specific Zone (see map)  
N - Near side (Project sample taken closest to BC)  
F - Far Side (Project sample taken furthest from BC)
